

## Supplemental Educational Services (SES)

SES is defined as free tutoring or other additional academic enrichment services in reading, language arts and mathematics that are provided beyond the normal school day.

They are of high quality, researched based and specifically designed to increase academic achievement at Title 1 schools in need of improvement.

Your child may qualify for free tutoring if your child is eligible for free or reduced price lunch AND attend an eligible Title 1 school. If parental requests for free tutoring exceed the amount of funding available, the school district will serve the students with the greatest need.

Neither the Florida Department of Education nor the School District promote or endorse any particular Supplemental Educational Services provider.

### How to Enroll

- Obtain an enrollment form from the Title 1 office or your child's school.
- Complete the enrollment form and list MCCA as your first provider choice.
- Return the form to Title 1 office or your child's school.

### Mission Statement

*The Marion County Children's Alliance identifies needs, gathers resources and coordinates efforts among children's organizations, parents and caregivers to ensure a safe healthy and nurturing environment for the children of Marion County.*
